## ***Unclaimed Capital Credits***

In 2007, the GCEA Board of Directors elected to return capital credits for a portion of the year 1988. GCEA is currently trying to locate members who have unclaimed capital credits from that year. In many cases, letters containing refunds were returned due to lack of correct address. However, there may also be cases in which capital credit checks were never cashed. If you find your name on the list, or you know the current address of someone on the list, please call GCEA's capital credit department at 1-800-726-3523 or 970-641-3520.

Capitals credits that remain unclaimed 60 days after the date of this publication will be transferred to the GCEA Scholarship Fund.
