SPECIAL EDITION

Unclaimed Capital Credits

In December 2014, the GCEA Board of Directors elected to return capital credits for the year 1991. GCEA is currently trying to locate members who have unclaimed capital credits from that year. In many cases, letters containing refunds were returned due to lack of correct address. However, there may have also been cases in which capital credit checks were never cashed. If you find your name on the list, or know the current address of someone on the list, please call GCEA's capital credit department at 1-800-726-3523 or 970-641-3520.
