In signing this application, I understand that I agree to all of the following pertaining current rules of the program, including the time limit.

REBATE PROGRAM RULES

1. Rebate amounts are listed on the GCEA website at www.gcea.coop, or call 970-641-3520 for amounts.
2. Submission of application does not guarantee rebate and amount may differ from your expected rebate.
3. Only GCEA members are eligible to receive rebates under this program.
4. Rebates will be given only for installations within the GCEA service area.
5. All rebates must be requested within **120** days of installation.
6. Rebates are limited to single-family residences, including one secondary residence; duplexes; and small businesses.
7. Refrigerator/freezer rebate requests must include proof that the old appliance was properly recycled when replacing an older refrigerator or freezer. Exceptions to this rule include refrigerators installed in new building construction or when a home or business is purchased and a refrigerator was not present in the home or business.
8. Applications for rebates must include proof of purchase/installation and documentation that the system or appliance meets Energy Star® or Energy Efficiency criteria. This includes:
 - Original or copy of receipt naming the item purchased, date of purchase, and price.
 - *Yellow Energy Guide* tag from the appliance or copy of page from *system/appliance warranty* stating make, model, and Energy Star® rating.
 - *Lighting Facts* label for each different LED bulb or fixture with built in LED bulb purchased showing the bulb is 500 lumens or greater (one label for each type). Rebate limited to 50 LED bulbs, or fixtures with built in LED bulbs, per member account per calendar year. Rebate amount does not include taxes or shipping paid for the bulbs.
